Chaozhou Tongheng Technology Co., Ltd.

About Us 關於我們

Founded in 2001, Tongheng Technology has been deeply rooted in the electrical appliance industry for over two decades. Leveraging its solid R&D capabilities and sophisticated manufacturing experience, the company has established itself as a reliable partner in the small household appliance sector.

We focus on the innovation and manufacturing of small household appliances, with core products covering categories such as small fans, humidifiers, aroma diffusers, and night lights. Guided by the R&D philosophy of "Practical, Exquisite, and Life-Friendly", we develop small home appliances that are suitable for multiple scenarios including home, office, and outdoor use.

"Customer needs at the core" is our development principle: we consistently respond quickly to customer feedback, proactively iterate on technologies and designs, and continuously optimize product experience through innovation, striving to provide the market with more high-quality and competitive solutions.

We look forward to cooperating with partners around the world to achieve mutual benefit and win-win results.

始于 2001 年，通恒科技深耕电器领域二十余载，凭借扎实的研发实力与成熟的生产经验，成为小型家电领域的可靠伙伴。

我们聚焦小型家电的创新与制造，核心产品涵盖小风扇、加湿器、香薰机、小夜灯等多个品类，以“实用、精致、贴合生活”为研发理念，打造适配家庭、办公、户外等多场景的小家电产品。

“以客户需求为核心”是我们的发展准则：始终快速响应客户反馈，主动迭代技术与设计，通过持续创新优化产品体验，力求为市场提供更优质、更具竞争力的解决方案。

我们期待与全球各地的合作伙伴携手，实现互利共赢。
